

Memory Lane

Take a few short trips down memory lane. Write the truth, embellished memories, or complete fiction! Use the starting phrases to get you moving down the path.

I remember learning ...

I remember biting ...

I remember the balloons ...

038

I remember falling ...

TAKE THE NEXT STEP

The phrase "I remember" often takes us back to childhood, where we learned by using all our senses, especially touch and taste. Finish this: *I remember the taste of ...*
Tomorrow, before you do anything else, finish this: *I remember the smell of ...*
